

Mining Technology Excellence Awards 2020

Celebrating the greatest achievements and innovations in the mining industry

The Mining Technology Excellence Awards celebrates the greatest achievements and innovations in the mining industry. The Awards provides a platform to recognise the people and companies that are driving change.

The awards will be judged by an expert panel consisting of industry leaders, analysts and the Verdict editorial team. The Mining Technology Excellence Awards results will be announced on Mining Technology to its audience of 1.6m unique users each year. The results will also be covered within our magazine and promoted via social media and online platforms as well as press releases to the local and regional press

The Mining Technology Excellence Awards 2020 Winners Announcement

Firstly we would like to thank everyone who entered the Awards. After weeks of deliberation, our esteemed judging panel has come to a final decision on who are our winners for this year's Awards.
